Dear Sponsor Tracy Usry III,

I am so pleased to greet you and your whole family. As for us, thanks to the Lord, we are fine and I feel happy having this opportunity to write you. I am very well and in 4th grade, and my favorite subject is Spanish. My plan is to conclude 9th grade here and to go to the town to study high school there. Lately we have been participating in the Safe and Protected Childhood where I have learned about social media and its importance, risk reduction and also about our rights. We have learned that it is important our participation in our community, that this is important for the families. Our parents learn there as well. I send you a hug from far away. My father is Mayo Antonio and Yeni Paz is my mother. My grandmother is Maria Antonia
